

In April 2013 the Government announced new funding of £150 million for Physical Education (PE) and Sport – often referred to as ‘Sport Premium’ funding, its purpose is to improve the quality and breadth of PE and Sport provision within schools. This funding will continue until 2020. Below is a breakdown of how we have used this money to make an impact at Randwick from April 2017-2018 and our plans for the future.

How have we used last year’s (March 2017- March 2018) funding so far?

- Funding of transport to take children to and from both Cashes Green for gymnastics, and Stratford Park and GL1 Leisure Centre, for swimming lessons (£2K)
- Funding to pay for a Sports Coach from Atlas Sports to teach PE and work closely with class teachers to support their professional development (£3K)
- Funding of a ‘Sport is Fun!’ week in the summer term when children participate in a range of sports, both on-site and elsewhere (£1.2K)
- Paying our P.E subject leader for additional time to attend training and complete PE admin (£450)
- Membership of Stroud Primary Schools Sports Association – this allows us to enter all the competitions run by them (£300)
- Providing a range of opportunities for PE based clubs across all ages (£200)
- Use of the Village Hall for dance and gymnastics lessons. This provides us with more space (£200)
- An inspirational visit from Katrina Hart, Olympic Para Athlete (£450)
- Paying a Forest School leader to take classes to the woods (£2.5K)
- Netball team kit (£100)

What else are we planning for April 2018 – March 2019?
