

Fly High Cafe

Hot lunches are served at school daily and are available to all children. In January 2018 we opened our 'Fly High Café' and Catering Manager, Mrs Kate Aristotelous, is doing a fantastic job creating mouth-watering meals here on site every day.

We source our fresh produce from 'fresh-range', who provide freshly picked, locally-sourced, high quality produce and whose meat is sourced from farmers with the highest animal welfare standards, including the Soil Association and/or RSPCA Freedom Foods requirements. They also use sustainable packaging, which is in keeping with our status as an Eco School. Do check out their website:<https://www.fresh-range.com/about>

We are listening to children about what they like (evidenced by the amount of waste left over each day and what they order) and aim to keep our menu fresh and exciting. The number of children having hot meals at school has increased and the feedback is extremely positive. Take a look at the menus below...

Menus 3 week cycle 2018

Meals must be ordered via the [ParentPay](#) website, where you will find menus and be able to make payment if appropriate. Logon details for the site can be obtained from the school office.

The cut off date for placing your order is midnight on Monday of the preceding week. You are not committed to selecting a meal each day, you may opt to choose a lunch on as many days as you like each week. Meals are free to all Key Stage 1 pupils and £2.30 per meal for all other pupils unless they are entitled to free school meal provision.
