19 March 2021

Physical Activity

Regular physical activity is important to us and all the children at Randwick get at least an hour's lunch break so that they have plenty of time to play with their friends. Forest School and PE also form part of the physical activity offer, and currently everyone is having a Forest School session each week. Carrie let's the children explore and have fun, but offers too the opportunity to learn skills and engage with the environment. Buzzard, Kestrel and Sparrowhawk class have PE on a Friday with either Mr Leman, from Atlas Sports, or Miss Newbould, and children are busy during these sessions learning and practising skills, leading to an application of these skills in small games. Many children also walk to school so we hope your child is ready to sleep after so much physical activity!

Supporting your child

We know that many children have found it hard to return to school after another break and time at home with families. Please do get in touch with us if this is the case and we can talk about how we can help. You can find more information about supporting children with a return to school here:

<https://youngminds.org.uk/blog/supporting-a-child-returning-to-school-after-lockdown/>
<https://www.mentalhealth.org.uk/coronavirus/school-guidance-for-coping-with-coronavirus>

Homework

Children have spent more time than we would have liked on devices during lockdown and we are keen to settle them back to life in school before setting them additional work to do at the weekend. However, if your child is keen to do some additional learning at the weekend then please encourage them to carry on with Mathletics, Times Table Rock Stars, reading (as always) and finding out more about their topics. Teachers will be setting a topic challenge next week which children can complete if they wish.

Reading Passports

Congratulations to Sebastian, Bennie and Freya who have received their £5 book tokens! We love it when children bring their Reading Passports to school to claim their book token! We have plenty waiting to be given out so please do encourage your child to read the books and let us know when they've read 7 of them. These are books we think every child should read and we're sure your child will enjoy the books!

Forest School missing items

My club assistant put some kit of mine on the road near my car on Weds post club and it has gone missing. It is a large black trug with a large cooking pot, plastic cups, three thermos and a tea pot in! I wonder if anyone has helpfully moved it/seen it. Thanks Carrie

Lost Key

Tyler in Owls was very attentive this week because he picked up a golden dead lock type key (Chubb) which he found on the playground and gave it to his teacher. We have it if it is yours.

Children enjoying their Forest School sessions this week!

WEEKLY AWARDS

Rufus for listening carefully in English and producing some beautiful writing.

Reuben for always being kind to his friends and helping Mrs Dean tidy up!

Holly for being helpful in the classroom and going out of her way to help friends.

Cordelia for always showing respect and kindness to others.

Sunkai and Joe A for fantastic concentration this week in all of their subjects.

Leo P for displaying a high level of respect to adults while moving through the school.

Florence L and Imogen for applying times tables knowledge whilst multiplying multiples of 10 and 100.

Luca for sharing interesting knowledge with others.

Henry for being a polite and considerate member of the class.

Harry for persevering with his Grade 1 piano music lessons and for all of his hard work.
