

Randwick Primary School: Resilience, Passion, Success

NEWSLETTER

30th April 2021

Farewell to Suzy!

We are sad to say goodbye to Suzy today and we wish her every success in her new role as School Secretary at Beaudesert School. I'm sure you will join me in thanking her for all her hard work over almost 3 years, we will all miss her.

Clubs

These start next week. If you have not heard from us then your child has secured a place and we look forward to seeing them next week. Clubs start immediately after school and finish at 1615. We will bring children to either the front gate or the playground, depending on whether the clubs is for KS1 or KS2.

Philosophy for Children

We are delighted to announce that from September, we will be introducing P4C to school. Teachers have training on one of the two INSET days at the start of the autumn term and a following two twilight training sessions during the autumn term. We are investing in this as a school because we really believe it will help children develop in confidence and learn about empathy and respect. It enhances thinking and communication skills, boosts confidence and self-esteem, and improves behaviour and well-being. You can find out more here <https://www.sapere.org.uk/>

From The Office

A reminder from the office re the Evacuee Day school trip for Sparrowhawks, please make payment on Parentpay as soon as possible.

PFORS

Second hand uniform sale approx 2:45pm -3:30pm. Next Friday, 30th April, large playground. Pay as you feel, cash only.

The sponsored run is on Friday 14th May 2pm Randwick playing field, PFoRs sponsored run. Look out for a sponsor form in book bags soon. Please get in touch if you can help, Pforsgroup@gmail.com

Buzzard Class

Buzzards have been exploring continents and oceans in geography using globes and different maps. They created their own version of a world map using paper plates and have been learning a catchy song to remember the ocean names.

Kestrel Class

This week has been all about plants! We set up a fair test experiment to see how growth is affected if we change the amount of light, air, nutrients, water or space plants have. The children also created some fantastic care guide for magical plants.

Weekly Awards

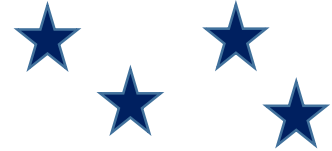

Sparrowhawk Class

This week in Sparrowhawks we have had a mock debate in the house of commons to decide if appeasement was the right strategy for WW2. The excellent Speaker of the House did a great job of keeping order and MPs voted against appeasement.
