

Randwick Primary School: Resilience, Passion, Success

NEWSLETTER

29th September 2023

Dear Parents/carers

Another great week, the children have enjoyed being able to start clubs this week and we are excited for the preparations for the Young Voices Concert.

It has been lovely to see the children taking part in the wider activities that we provide in school and thank you for making sure they are equipped and ready for these activities.

If you would like to raise anything with me, I am often on the Junior / Infant gate in the mornings and after school or you can email me via head@randwick.gloucs.sch.uk

Have a great weekend.

Kathryn Wilson
Headteacher

Diary Dates

**Please book
school lunches
for week
commencing 9th
October by
midnight Tuesday
3rd October**

Flu Immunisation

If you have not already done so can you please return your immunisation consent form to school by Wednesday 4th October. Can these please be returned even if you are not consenting to your child receiving the immunisations. If forms are not returned the nursing team will need to ring you on the day to confirm whether you give consent or not.

Playground

Can we please ask that you do not let your child/ren play on the school playground or the bank after school as this is a Health and Safety issue.

Headlice

We have had a reported case of headlice in school. Can you please ensure you check your child's hair over the weekend and treat if necessary.

CLASS NEWS

Owls

Owls have had a great week. We now know 9 sounds and are starting to blend these into words - we are now readers!

There has been lots of excitement in class setting up our own games. A mini classroom appeared today, with a phonics lesson, stories being read and lists made ready for snack time.

**Top Doodle Class:
Buzzards**

**Top Doodler:
Joe Atkins**

Buzzards

What a busy two weeks it has been in Buzzard Class. Although it is difficult to put what the children have accomplished into words, one thing that has particularly stood out is their resilience and determination to succeed.

We have worked as artists, scientists, and historians, just to name a few. The children at Forest School have been refining their sawing techniques while examining the various leaf colours. We are also working hard on perfecting our harvest song.

Kestrels

This week, Kestrel Class have survived the Stone Age! We had a zoom meeting with a historian from Stroud Museum to ask her questions and find out about inventions that helped people survive. We also created dances to represent the key changes throughout the Stone Age. You might like to ask your children about this time and what was invented by Paleolithic, Mesolithic and Neolithic people. Next week, we will be asking the question, "Was it easier to survive the Bronze Age?"

Hawks

In Hawks class, we have been industrious with our learning and have used vast amounts of perseverance.

In Maths, we have continued with our place value unit and understanding numbers; we have compared and ordered numbers as well as rounding numbers to the nearest 1000, 10,000 and 100,000.

In English, we have focussed on creating our own newspaper reports on the discovery of Tutankhamun's tomb made by Howard Carter. We have been researching pharaohs in history and the impact that they had on ancient Egypt.

In Science, we have created our simple circuits and have planned our own investigations into how to make a bulb brighter.

WEEKLY AWARDS

Seb – for working really hard in his piano lesson

Esme – for being a fabulous Historian. Great re-call throughout our history lessons. Excellent discussion using sources.

Matilda – for helping Mrs Chastney with her cording – a brilliant job of teaching

Jago – for succinctly explaining his reasoning in Maths

Jem -for being a fantastic talk partner and class member

Belle - for excellent care and detail in her work

Harrison – for always giving 100% in his learning

Anneke – for great work in phonics on our new sounds and tricky words
