

# Randwick Primary School: Resilience, Passion, Success

## NEWSLETTER

21 June 2019

### Morfa Bay

Children in y5 and 6 arrived back today after a very busy week at the Morfa Bay Centre in Pendine, Carmarthenshire, Wales. I suspect both children and staff will be delighted to be back in their beds tonight for a good sleep! Well done to all the children who really showed some resilience and passion, and to our three adults, Mr Hodgkinson, Mrs Chastney and Miss Sharpe, who have worked hard to ensure all had a great time.

### Ark Building

The whole school (minus our y5 and 6 children) went to the woods on Wednesday morning to make an ark! Children collected dead wood at our usual site near the Millenium bench and worked as a team to bring it to the construction site in the woods. We had some children sawing wood to fit and others lashing boughs together. A tarp was put to use as a roof. Others helped build and maintain a fire and everyone was rewarded for their hard work with smorgs! All showed resilience and passion in abundance, as Noah did. Our thanks to Corinne and Carrie for their creative input!

### Parent Survey

You should have had an email about the parents' survey. We found it so useful last year! Once again to remind you that it is completely confidential and very easy to do now that it is online. Thank you so much!

### Clubs

**There will be no book group on Thurs 27 June due to Mr Hodgkinson being on a course.**

### Y3 and 4 District Sports

Firstly, our y3 and 4 team proudly represented the school on Tuesday at the field events at St Matthew's Primary. Clara, Emily and Billy were jumping and Caitlin (who came 3<sup>rd</sup>!) and Leo were throwing. Thanks to them and Miss Aldous for gaining valuable points for our school.

On Tuesday our runners compete at the annual Stroud District Sports event at Stratford Court (opposite the leisure centre). All are welcome to cheer the team on.

### School photos

School photo's will take place on Monday morning. There will be a photo of the whole school and then y6 alone.

### Scratch band

If any parents are up for forming a band to play one song for one night (Leaver's Service, Thursday 18<sup>th</sup> July) please do email me! Thanks.

### Chickens

You may have noticed a change to the appearance of our chickens, a story which remains a mystery. Our great thanks to Jo Cant and Sarah Tavner who have kindly 'restored' chickens to the coop. Huge thanks too to Perry and the team of chicken feeders and cleaners who have made my life significantly easier. Mr Poad.

### School Uniform

Please help us by making sure your child comes to school in the correct uniform, which includes dark school shoes (not boots or trainers). Thanks to everyone who emails or sends a note on the odd occasion when children do not have their school shoes.

### Threadworm

There has been a case of threadworm at school. Please see the advice below for symptoms and treatment.

## Attendance last week

**Kestrel** class had the best attendance last week with **100%** (our whole school target is 97%). Well done to Kestrel class!

## Class news

### Kestrel

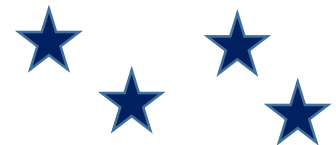

This week in Kestrels we have been learning about waterproof material. We learnt that wax is waterproof and created some watercolour and wax pictures to observe how water runs off of the wax and onto the surrounding paper. In Geography, we have been learning about the Lake District and its many impressive mountains and lakes. We used the Chromebooks to search for this information. What a fun afternoon!

### Sparrowhawks

Our y4 children have been helping Kate prepare dinners this week for the Fly high Café.

## WEEKLY AWARDS
