Forest School Volunteers

We are looking for help on Thursday mornings. Please let us know if you can help.

Music Tuition

We now offer piano, guitar and drumming so do ask at the office if you'd like your child to learn one of these instruments. Our year 5 and 6 children had their first brass lesson of 10 today with Mr Paul McLaughlin, kindly paid for by PFORs.

School Uniform

Thank you so much for kitting your children out this summer, they are all looking super smart! Please do let us know via email or in person if your child cannot wear their school shoes for any reason. All children should wear dark shoes please.

Attendance

Another thank you – we finished last year over 96%, the national average, but we should be aiming higher for 97%. Thanks to you all for letting us know when your child is ill but please do support us by getting them to school daily and on time. Please also be here for 15:15 so that staff can continue with their work when children leave.

Our Curriculum

Please do read the email sent yesterday about our revamped curriculum. Reception parents will have received a topic web for this term.

Tour of School

Do come and take a look at the new classrooms today after school.

Volunteers needed for Buzzard Class

Buzzard class need someone to come and laminate and cut things out for our classroom even if it's only for 30 mins! Also we are looking for someone who would like to hear the class read on a regular basis. Thank you. Miss Aldous

Sparrow Hawks visit to Dunkirk Mill

Sparrowhawk class had a marvellous trip to the historic Dunkirk and Gigg Mill in Nailsworth. Whilst there we discovered all about the wool industry in Stroud and the famous textiles made there from military uniforms to snooker tables. The children experienced a traditional loom and saw a working water wheel.

Spooky disco

The PFORS Spooky disco will be 5 - 6:30pm on Friday 25th Oct in the village hall.
