

# What do your maths lessons mean?

## Do it

### Can you do it?

- ✓ What is it
- ✓ Talking about it
- ✓ Learning vocabulary
- ✓ Having a go
- ✓ Practising
- ✓ Using apparatus

## Secure it

### Can you prove it?

- ✓ Explain your answers
- ✓ Convince the teacher
- ✓ Correct mistakes
- ✓ What it is/what it isn't?
- ✓ True or false?

## Deepen it

### Can you solve harder problems?

- ✓ Here's the answer, what's the question?
- ✓ Solving missing box problems
- ✓ Linking problems to real life
- ✓ Always/sometimes/never
- ✓ Using other maths skills

## Help and support...

Not quite got it yet? Need more practice? That's OK!

Depth is more important than speed;

mistakes are valuable!
