Time Travel – What was it like to live in Randwick during the Iron Age?

The Iron Age is the name given to the time period (from approximately 500 BC to 43 AD in Britain) when iron became the preferred choice of metal for making tools. In Europe, The Iron Age marks the end of prehistory after the Stone Age and the Bronze Age.

What was life like in an Iron Age hill fort?

What were the biggest changes during the Iron Age?

CHALLENGE:

Visit an Iron Age hillfort in our local area.

Skills

- **To Investigate and interpret the past**
Use evidence to ask questions and find answers about the past.
- **To build an overview of world history**
Describe changes that have happened in the locality of the school.
Describe the social, ethnic, cultural or religious diversity of past society.
- **To understand chronology**
Understand the concept of change over time, representing this, along with evidence, on a time line.
- **To communicate historically**
Use literacy, numeracy and computing skills to a good standard in order to communicate information about the past.

What Iron Age artefacts have archaeologists found?

What evidence is there in Randwick that the Iron Age Celts once lived here?

What is a long barrow?
