### Reading Passports

Congratulations to Clara in y5, the first child here to read all of the books on the list for her age group, and to Freya, y4, her sister, Matilda, y2, Leo in y5 and Cordelia in y1 who have also read their respective year group books. They will all get a £5 book token and move on to the next year group. There's no rush to finish but please do encourage your child to read or listen to all the stories in the passports by the end of this academic year. Many thanks for your support with this..

### Acceptable Use Policy

This is now on our website and explains how we take steps to protect children when using technology.

### Facts4life Parent Workshop

Firstly, the slides from the presentation are now on our website. Secondly, we are running this again so that more of you might be able to come.

**Monday 2<sup>nd</sup> March, 730 – 900pm**

It struck me that we almost never talk about parenting, and there is value in just having time to sit and share experiences so that we all recognise the challenges involved and more importantly that we almost always do our best for our children. The facts4life parent workshop delivers this message very clearly but also offers some simple strategies to help parents support their children at home. As a parent and as a Headteacher, I found the workshop extremely useful and informative. Parents who attended have said the same. Do make a date in your diary. There will be refreshments. Mr Poad.

### Sports News

Today 8 children in y56 are playing at Inside Football in the Riddiford Shield Football Tournament for small schools. News to follow about how well they did! Next week our netball team are also competing at Stratford Park Leisure Centre in a local schools' tournament. Come on Randwick!

### BBC 500 Words Story Writing Competition

We will be encouraging the children to write a story to submit to the BBC. It's super simple. All entrants must pen an original story, no more than 500 words in length, and submit it online. It can be about ANYTHING they want – space-ships, grannies, insects, time travel. The list is endless! Follow the link here for more information:

### WAP 2020

A reminder that there will be an opportunity for eligible parents and carers to sign the Poll Book today, immediately after school. The Poll Book may only be signed by those who are resident in the Parish (or who were resident at birth), those owning land in the Parish, or those who (themselves) went to Randwick school or Cashes Green school. If you are not eligible to sign the Poll Book yourself, then we would hope that you are able to find another parent who is eligible to nominate your child. Nomination forms will be distributed at the start of February.
