Reports

For those children in school we will give them their reports to take home today. We will give the reports to other children as they return, or you are welcome to come and collect them earlier.

If your child is not returning to school before September, please do come and collect their report from school anytime between 09:30 and 14:30, Monday to Friday. Thank you.

Celebration Worship

For this term we are meeting as a school via zoom on Monday mornings at 09:45. Teachers are giving out their weekly awards to children at school and learning at home – do join us!

David Poad is inviting you to a scheduled Zoom meeting.

A letter has been sent out to parents of children in these year groups today, confirming details for the last 2 weeks of term.

September

It looks very likely that we will all (hopefully) be back, and we are now planning for this. We are going to be spending the first three days focused on our well-being and how we can stay safe in these times, then the rest of the first half term on revision of the previous year's learning, so that children are ready to start their new curriculum at the start of November, having had the chance to complete learning from the previous year. Current high standards around hygiene will continue and we will ask all our children to carry their own small hand sanitiser and wash hands every time they come into school. We are installing sinks outside both doors to help make this happen more efficiently.

PE Sessions

It was wonderful to see so many children this week! We've so missed them all and recognise how hard it has been for many of you, particularly if you've been juggling work and childcare. Thanks for bringing them and we look forward to seeing you all again next week!
