Welcome back children in year 2, 3 and 5

What a pleasure it's been having more children in school! All our staff have had a lovely time working with the children and we've had great feedback from many parents telling us how much their children have enjoyed seeing their friends and getting back to school. Thank you to parents for getting children to the right place at the right time both before and after school, hugely appreciated.

Next week

We welcome back our y4s next week, and welcome back our y1 and y6 children. Please do check our website for details about y4s return. **Thank you** to parents of children in y1 and y6 for keeping their children at home this week – this has enabled us to bring back children in years 2, 3 and 5.

We say goodbye to our y6 children on the playground on Tuesday evening (just for y6 children, their siblings and parents I'm afraid). Our y6 children also have Bikeability and the second Infobuzz workshop. Some of them are also visiting their secondary schools.

We welcome our new reception children and their parents to the playground on Monday afternoon.

We finish on Friday 17th July: EYFS at 12:00 and everyone else 12:30.

Writing over the holidays

During the summer we would love your child to enjoy writing and so we are setting a writing challenge for the whole school.

The project information can be found here:
<https://www.gloucestershire.gov.uk/libraries/life-in-lockdown-in-your-words/>

September

I have sent a letter out today providing details about our full return in September. I will continue to update you as and when I am able to provide more information. Whilst I am not in school all summer, I will be looking at emails and so please do contact me if there's anything you're not sure about or need help with. I will be in for much of the last two weeks and available to meet parents anytime.

2nd hand uniform

PFORS will be holding a 2nd hand uniform sale on **Thurs 16th July at 3pm** in the large playground. This will be open to parents of all year groups but please be respect social distancing and leave the playground once you've finished looking. Many thanks.

Little Skylarks thank you

I've set up a collection for Miss Emma and Shelly to say thank you for all their hard work over the years at Little Skylarks. I'm hoping to get them some vouchers and flowers along with cards I will sign from everyone who donates. Thank you so much, Dulcie
