

Randwick Primary School: Resilience, Passion, Success

NEWSLETTER

8 January 2021

First week of lockdown 2

It was so wonderful to see so many children at worship this morning, thank you for joining us. I think it is very important that children keep in touch with their peers, if only via google meet and zoom. As always huge thanks are due at the end of another changeable week: firstly, to the children for being so resilient and engaging so well with home learning. Secondly, to the staff here who have worked so hard to support home learning and for being so flexible and resilient. Thirdly, to all you for making it work and supporting your children. We are expecting all our children to engage every day with the home learning, and will do our very best to ensure you have the resources (chromebooks, printed packs, books) to be able to engage. Teachers and I will be making contact to offer support if we see children aren't engaging with the learning. None of us want more gaps in children's learning and we aim to cover as much of the curriculum as we can over these next few weeks. Any feedback is always welcome.

Children in School

Please send children to school on Friday with clothes for PE/Forest School.

EmpowHER

These sessions for girls in y5 and 6 will continue via zoom from next Friday. More details to follow.

PE Sessions

I'm afraid I was being very optimistic – these are not able to happen but we will look to engage our home learners in some PE on the field as soon as we can.

Bench for the Stanleys

It's ready to be shipped. We are arranging payment and preparing the spot on the bank. It's likely that we will wait to officially 'open' the bench until we can all be present.

Doug the Dog

He has been made to feel most welcome by children and staff. A special thanks to Liisa and the after-school club for looking after him.

Pfors zoom meeting cancelled

The Pfors zoom meeting which was to be held on Tues 12th at 8pm has been cancelled.

The Sports Project

The Sports Project, a non-profit community interest company, has set up a variety of fun and challenging online sport and physical activity after-school clubs. Starting 11th January, these will help with the children's physical and mental well-being during lockdown.

Click on the link below for more information and to sign up.
