Home learning

We hope you have settled into some sort of rhythm if you are working at home with your children. Things have certainly been calmer here now we have established systems. I have joined many live teaching sessions this week and been so pleased to see our children getting involved and engaging with the teaching being delivered. Thanks as always for your efforts to support them at home.

Have a lovely weekend,
Dave Poad

Children in School

Please make sure your child is here between 08:40 and 08:45 (Hawks and Kestrels via the back door; Owls and Buzzards via the front door). After-school provision is available Mon to Thurs. Breakfast club from 08:00 – please let Suzy know (admin@randwick.gloucs.sch.uk) if you want places.

Printing Work

If you are coming to collect packs for your children, please do so on a Monday between 11 and 12. Teachers plan at home on a Friday so we can't print these earlier. It takes Suzy and Lise some time to print the packs so please try to print at home or use alternatives to the printed sheets (e.g. complete online or on paper) if possible. Many thanks.

Keeping Children Safe Online

With children working online at home for much of the school day, it's crucial that you and they know how to stay safe. We teach children about online safety in school and they know to report anything to a trusted adult.

There are so many good resources for parents out there if you want to know more or seek advice. Here are some links to excellent sites which offer advice:
