Dear Parents and Carers

It's been a tough week for many children and parents at home, and we really do appreciate how hard it can be to keep children engaged and learning online. We are looking at different ways to keep the learning fresh and exciting in the coming weeks.

We are so pleased to see so many children online for their live learning sessions. We'd very much like them to join the live maths, English, and for Buzzard class children, phonics sessions and to complete the work set by the class teacher. For English we'd be grateful if you could help your child post their work back to their teacher. Children in Kestrels and Hawks can do this either directly on their devices, or on paper and then take a picture. Children in Buzzard class can write on paper and then we hope an adult can take a picture of their writing to be sent to Mrs Ryan-Ball (you can upload a photo via the link on the top of the page - quick and easy). It's really helpful for us to see the children's written work and comment on it. This hopefully will encourage them to do the work and practise the skills we have taught. We know home learning isn't easy for children or parents and carers but we are also mindful of doing all we can to help children continue learning.

As always, we are all ready to help with any aspect of home learning - email me or message the teachers on google classroom.

Huge thanks for all you are doing.
David Poad

WOW vouchers

Please do celebrate any aspect of home learning by sending a WOW voucher to school via email head@Randwick.gloucs.sch.uk. We will read these out in our Celebration Worship on Friday.

Skylark Award Wow Voucher

I would like to nominate _____ because they

Nominated by _____ Date _____

★ ★ WEEKLY AWARDS ★ ★

- ★ **Freya** for her lovely descriptive writing including similes and personification.
