

Randwick Primary School: Resilience, Passion, Success

NEWSLETTER

17th November 2022

Dear Parents and Carers,

We are looking forward to celebrating the start of the world cup on Monday. Don't forget to send your child in wearing colours of one of the football teams or football kit.

We are excited about beginning to practice our nativity performance. The children now have their lines and we thank parents for supporting them to know them off by heart.

Thanks to all the parents who supported Buzzard class in their DT learning this week. It was great to see so many of you.

Many Thanks

Mr Hodgkinson

Diary Dates

Thursday 24 th November		
Friday 25 th November	PE sessions for Buzzards, Kestrels and Hawks Please can the children wear PE kit to school	

CLASS NEWS

Owls

Owls have been learning about the properties of shapes and put our new knowledge to good use in lots of different ways this week.

Buzzards

It's been a wacky week in Buzzards. We had a great time making our wacky racers this week at school, and we appreciated having those of you who could come. I'm not sure who had the most fun with the task!?

We have enjoyed studying Isambard Kingdom Brunel's contributions to engineering history and creating many of his creations.

Thank you for your continued support. 😊

Kestrels

Kestrel's trip to Gloucester Mosque and Cathedral was a fantastic experience! The children used some fantastic map reading skills to help us get from one location to the next. We found out there were a lot of similarities in the way people worship in both of these special buildings. We had the opportunity to try on traditional clothes that some Muslims wear to visit a mosque. We also learned the rituals for washing before prayer. In the Cathedral, we explored the Bible stories behind the incredible paintings and windows. We got to try on a Bishop's mitre, climb a lecturn, and reenact a Christening.

Hawks

In Hawks, we have been working hard on fractions. We have compared fractions and looked at equivalent fractions as well as fractions of amounts. We have also been busy recording our poems onto scratch and animating them.

OTHER NEWS

House Teams

We have recently reviewed and amended our house groups for more consistency in school for sporting events, in school events and team points.

We have added a fourth group to Randwick School and have named this Haresfield. This may mean that your child has now been allocated a different house group. Please ask your child which house group they are in although a message will be sent out to parents in due course.

PFoRS

For this year's Christmas raffle we already have some great prizes. In addition we would like to make up a hamper per year group. It would be great if you could donate with anything from a packet of biscuits to soaps or wine. Please pass on your donations to the following, who will collect them together to arrange a lovely hamper.

Owls – Hannah
Y1 – Jordan
Y2 – Helen
Y3 – Jana
Y4 – Kelly
Y5 – Mel
Y6 – Roz

Many thanks for your support.
PFoRS

DOODLE MATHS

We are excited to announce that, following a successful trial of Doodle Maths and Tables, Randwick has decided to adopt Doodle as our maths online platform going forward. We have made this decision following feedback from children and staff. We feel confident that Doodle's personalised features and mastery-based activities will better support children with essential practice. The carefully designed activities on Doodle will also better challenge children to go deeper within each area of their learning.

Doodle maths/tables incorporates all of the benefits of Mathletics and Times Table Rock Stars combined and therefore will be our only online Maths learning platform going forward.

This week, your child will bring home their log in. Please could you support them to familiarise themselves with Doodle and have a go at the activities at home.

Kind regards
Miss Newbould (Randwick Maths Subject Lead)

WEEKLY AWARDS

Jay – for help with selling the Remembrance day items

Noah – for help with selling the Remembrance day items
