5 February 2021

Children's Mental Health Week

Thank you to everyone for contributing and sharing the creations from the week, not least the Randwick's Got Talent acts! We watched some of them this afternoon in school, whilst making some of our own videos, and we were blown away by the children's performances! It really does put a smile on everyone's faces doesn't it?! Do watch if you haven't already: <https://en-gb.padlet.com/lnewbould/q7u33cdkucu2mat1>

It's been so successful that we are going to set aside Wednesday afternoon as a time for teachers to lead a creative, fun and slightly different sort of lesson! Miss Newbould kicks us off next Wednesday with some dance – she will be in touch with more information.

Coming Back

As you know, we are all waiting to find out whether or not children will return on Monday 8th March, two weeks into term 4. We very much hope so and we are starting to plan for their return. The government will publish a plan for taking the country out of lockdown in the week commencing 22 February. We will keep you updated when we hear anything else.

Doug is getting bigger! He looks forward to seeing you all back in school!

This week

Owls learned how to fly during Dragon Week – and practised their jumping! Tyler made his own dragon eggs and Evelyn persevered with her sewing to create this beautiful dragon

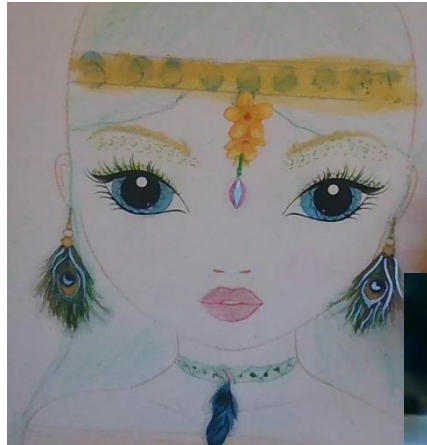

This week continued

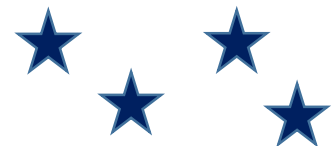

Kestrel have thrown themselves into their afternoon activities this week and achieved some incredible things! We were particularly impressed by the team work between siblings and families. Seb and Cordelia, Anya and Leo and Jay and Billy worked together to retell a fairy story. Can you guess which ones from the pictures?

In Sparrowhawk class, we have had an amazing Mental Health Week and I have been very impressed by all the activities that children have thrown themselves into. Here is some of the artwork and talents demonstrated by the class this week.

WEEKLY AWARDS

Jessica for her fabulous creativity and imagination during dragon week.

Tyler for great listening in our zoom lessons and working so hard on his tasks.

Miri for persevering with her mindfulness art and colouring activities.

Freddy for persevering with his multiplication and division.

Amelie for conscientious editing of her persuasive letter and also for kindness to others.

Clara for continuing to work hard and showing resilience in her letter writing.

Matilda D for consistently putting brilliant effort into all her home learning.

India for showing such kindness towards the staff and children in Kestrel Class.

Archie for showing courage and bravery when joining a new class at a difficult time.

Olive for generally being amazing and having a really positive attitude towards her work.

Flora for outstanding effort with Literacy tasks this week. Your descriptive language brings your ideas to life!

Zofia for showing kindness to everyone in your positive comments on others' work. Also for consistently trying your hardest with every task, what a star!

Bonnie for showing great curiosity, creating a new nature adventure of her own each week.
